Sustentabilidade, Qualidade & Comunidade

Unimos excelência local e sustentabilidade, valorizando subprodutos da nossa cozinha. Seleccionamos o melhor da terra, em harmonia com a estação e tradições. A dedicação de nossos parceiros transforma cada produto numa história de compromisso ambiental. Agradecemos a todos que contribuem com paixão e excelência, fortalecendo nosso propósito.

Sustainability, Quality & Community

We blend local excellence with sustainability, repurposing by-products from our kitchen. Selecting the finest from our land, in tune with the season and traditions. Our partners' dedication turns each product into a story of environmental commitment. We're grateful to all who contribute with passion and excellence, reinforcing our purpose.

Em Portugal, cerca de 1 milhão de toneladas de alimentos são desperdiçadas a cada ano. Ajude-nos a combater o desperdício alimentar, comunicando-nos sempre que entender quais os produtos e quantidades que quer consumir. | In Portugal, about 1 million tons of food are wasted every year. Help us fight food waste by communicating whenever you understand which products and quantities you want to consume.

Nenhum prato, comida ou bebida, pode ser cobrado, se não for solicitado pelo cliente ou se por este for inutilizado.
No plate, food or drink can be charged if not requested or is rendered unusable by the customer.

Em caso de duvida em relação aos ingredientes potencialmente alergénicos por favor pergunte-nos! | If you have any questions about the potentially allergenic ingredients, please ask us!
